

Chalt Agriculture Cooperative Society Limited Nagar

Introduction:

Chalt agriculture cooperative society is Business entity registered with cooperative department Gilgit Baltistan under companies Act 1925. It has 292 registered farmers and was established in 2019. The society has an elected 7 Board Of Directors including 6 female and 1 male. Chalt agriculture cooperative is working for small farmers to enhance their through collective marketing of vegetables, fresh fruits and dry fruits and provide agricultural inputs on low rates. Society also work in value added products like apple jam, cherry jam, apricot jam, pickles.

Objectives:

- Increase income of the farmers of the area by introducing improved production & processing technology, vertical farming and high yielding varieties/hybrid seeds for optimal production.
- Minimize pre & post-harvest losses and improve value addition practices on more scientific and profitable lines.
- Shift the subsistence farming system to market-led profitable agribusiness.
- Empower women, youth, & poorest segment of society by involving them into agribusiness and link them with national markets of fruits and off-season vegetables.

Products:

This institution is currently producing various types of fruit jams, vegetables pickles and energy bars that are popular in the market due to their unique flavors. Our products mostly consist of natural ingredients, which is why their quality is better compared to other jam and pickles.
