

Mahnoor Enterprises

OUR STORY and VISION

Mahnoor Enterprises was established in **2002** in Karachi and was engaged in the business of Import of **Edible Oil** and **Allied products**.

Being a Agricultural nation and having agricultural background with 30 years of experience in agro based food industry, in 2022, Management decided to invest in Agri based business, and started **R & D** on traditional and non-traditional and new type of crops for value addition.

Finally in 2023 brand  was launched with clear aim to introduce best Quality, International standard Traditional and Non Traditional, affordable organic products specially which are currently being imported to meet our nation's culinary needs.

Realizing our moral and national responsibility our team of highly experienced professionals is now ready to serve **Local** and **International markets** to fulfill our responsibility toward the nation and to contribute and strengthen the economy of **Pakistan**.
