## IFTEKHAR AHMED AND CO.

Over six decades, we have grown from a small family-operated firm into one of Pakistan's largest export companies of fruits and vegetables. We have perfected the art of producing the freshest fruits, vegetables, pulp, concentrates and juices by ensuring the highest standards of quality at every step of the production process. From growing our fruits such as Kinnows (Mandarin) and Mangoes, to growing vegetables such as Onions and Potatoes, we also source other best quality fruits to create our pulps and concentrates, which are serving renowned food and beverage businesses and offering our fruit beverages in Tetra Pak for consumers as well.
